TECHNICAL EXPERIENCE

Customer Experience Specialist

Hello Mentor

Sep 2024 — Present

Bengaluru, Karnataka

- Managed end-to-end customer onboarding for 500+ learners, ensuring a seamless transition from enrollment to program commencement while delivering a positive customer experience.
- Served as the primary point of contact for students and parents, providing timely support, resolving queries, and ensuring high customer satisfaction throughout the customer lifecycle.
- Created and standardized onboarding checklists, communication templates, and customer support processes, reducing onboarding confusion and improving operational efficiency.
- Collaborated with Admissions, Product, Operations, and Marketing teams to resolve customer concerns, streamline processes, and enhance the overall learner journey.
- Conducted regular follow-ups with customers to improve engagement, encourage program participation, and build long-term customer relationships that supported retention.
- Maintained accurate customer records using CRM tools, analyzed customer feedback, and identified process improvement opportunities to enhance onboarding quality and service delivery.

Relationship Manager

NoBrokers.com

Sep 2023 — June 2024

Bengaluru, Karnataka

- Managed 80+ concurrent property transactions (buy, sell, rent), ensuring end-to-end client satisfaction in a high-velocity transactional environment.
- Conducted locality and pricing analyses to identify matching opportunities faster, improving deal conversion rates.
- Resolved client escalations within a 48-hour SLA, maintaining high satisfaction scores.
- Collaborated with cross-functional teams (Field Relationship Manager) to streamline workflows and enhance overall customer experience.
- Negotiated between multiple stakeholders to resolve conflicts, accelerate deal closures, and improve customer satisfaction.

Senior Lead Generation Executive

DalzteK Online Services Pvt Ltd

July 2021 — Aug 2023

Bengaluru, Karnataka

- Qualified and managed 150+ inbound and outbound customer leads each month across domestic and international loan products, ensuring timely follow-ups and lead progression.
- Assisted customers throughout the loan application journey by providing clear guidance on product features, eligibility criteria, documentation, and application procedures.
- Maintained accurate customer records and sales pipelines using Excel spreadsheets, ensuring efficient lead tracking, follow-up scheduling, and data accuracy.
- Coordinated with internal teams to facilitate document verification, loan processing, and timely resolution of customer queries, contributing to a seamless customer experience.
- Consistently achieved monthly performance targets by identifying customer needs, recommending suitable financial solutions, and delivering a customer-centric service experience.
